Annual Report 2018

Introduction

Dear Partner,

Thank you for your support over the years. 2018 was a fulfilling year, we would never have gotten this far without the support we receive from you.

Highlighted below are our achievements.

Key Achievements and Activities

Hope House

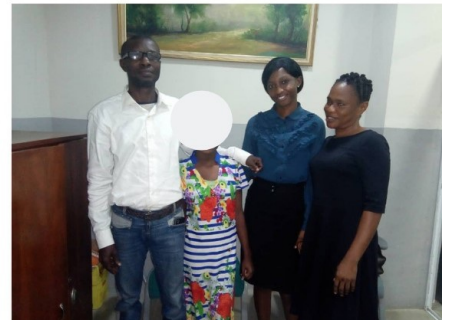

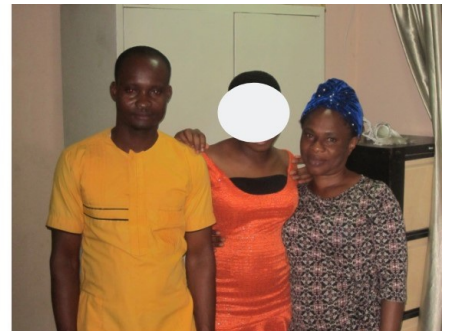

Hope House cared for total of forty-two (42) clients in 2018. Twenty two (22) in house clients, twenty (20) out clients and Nine (9) domestic violence.

In the areas of academics, after school home lesson was continued for clients to improve their academic performance. Vocational training was done, the clients were taught bead making, tie and dye, tailoring and how to make snacks. The clients were trained and certified on computer appreciation and music.

Social functions have been a regular for the clients as there were series of outings and visitations. This visits have facilitated scholarship awards to some of the girls, in-kind donations of food items, toiletries, provisions, and clothes reducing the financial burden of the organization. The program Renewed Hope held in the shelter, has ensured clients encounter notable people of all works of life, come with encouragements, and gifts.

However, with directives from the Board of Trustees, the activities of Hope House is on hold. All the clients have been reconciled with their families except for three (3) clients that were transferred to another shelter.

Some Released Clients

Girls Empowered 2018

According to Kathy Calvin, United Nations Foundation President & CEO “Girls are one of the most powerful forces for change in the world: When their rights are recognized, their needs are met, and their voices are heard, they drive positive change in their families, their communities, and the world.”

It was therefore the need to empower the girl child and make them understand that they **can be more** which is in line with 2018 international day of the girl child themed, “**With Her: A Skilled GirlForce.**”

The Girls Empowered Conference 2018 is focused on empowering girls through Science, Technology, Engineering and Mathematics.” The aim of this year’s Girls empowered programme is to educate the girl child on making career choice in STEM, leveraging opportunities for technology, social media utilization and internet security. A total of 374 students from 13 schools in education district 2, 4 and 6 were reached.

The conference was sponsored by individuals and corporate organizations.

Challenges

Educational Support:

Fourteen (14) ex-clients urgently needs educational sponsorship.

Administrative Office Relocation:

Due to increasing overhead costs and running expenses, the administrative office was moved to the shelter. The foundation is currently looking out for new office space as the shelter rent will be due March 2019

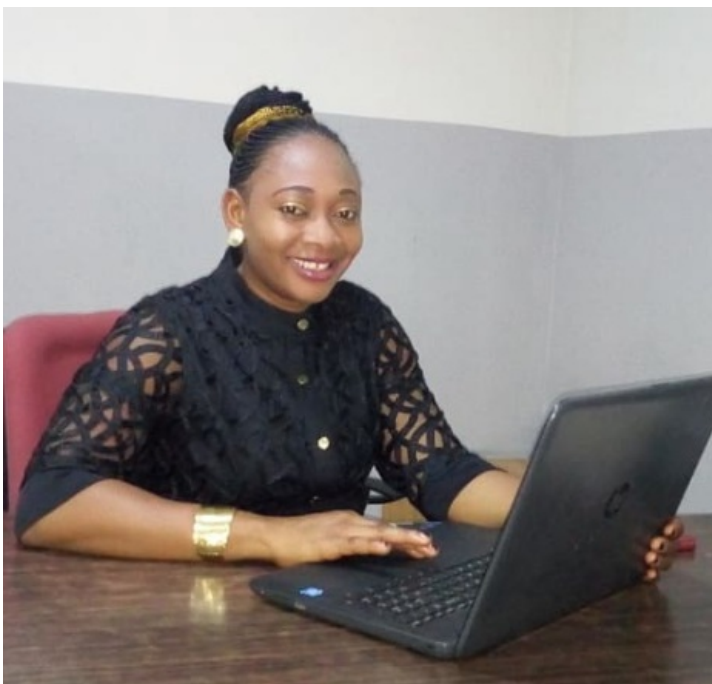

Transportation:

The present vehicle is rundown and in dire need of replacement. The foundation has seen a Toyota Sienna space bus valued at N1,800,000 and is soliciting your support to purchase it.

We hope to continue this partnership and get more support from you. Do follow us on our social media platforms to see our engagements as they happen.
